

6
WEEKS

CAREER CONNECT • SUMMER 2026

Your Career Connect Guide

Everything you need to make the most of the next
six weeks, in one guide.

Register early. Make a concrete plan.

To secure a spot during your ideal session time, register for your workshops as soon as possible.

1

Choose your workshops

Prioritize which workshops to attend. Start with the 6 Career Essentials and add any Career Edge sessions that interest you.

2

REQUIRED

Register in the student portal

The catalog and guide are resources to help you register, but you must register for sessions through your student portal.

• YOUR GOAL

ATTEND AT LEAST

7+ sessions

Any 7 live sessions completes the program.

Completers unlock 8 weeks of advanced job search and placement support.

7 live sessions to complete — every session you attend moves the bar.

- Kickoff can count as one of your 7 if you attended.

How workshops work

Every week follows the same simple rhythm. Here's what to expect.

1

2 workshop topics weekly

Each week has two live workshop topics, with several session times to choose from.

2

Monday–Thursday options

Workshops are offered Monday through Thursday so you can register for sessions that fit your week.

3

2 PM, 6 PM, or 8 PM ET

Most sessions are offered at these times. Pick the time you can attend live.

4

Hands-on career practice

Sessions focus on practical skills for confidence, resumes, interviews, LinkedIn, AI, and workplace situations.

Choose specific workshops in the catalog.

The catalog has the full week-by-week list, descriptions, and the Career Essentials / Career Edge labels.
