

Choose your workshops

Start with the 6 Career Essentials (**CORE**). Add Career Edge (**BOOST**) workshops to give yourself an edge, boost your chances, reach your 7-session goal, or go for all 12.

Your goal

Attend **7+ live sessions** to complete Career Connect and unlock 8 weeks of job placement support.

Your commitment

Plan for **1-2 hrs/week** for the next 6 weeks - less than the length of a movie.

Your reward

Additional 8 weeks of personalized coaching and hands-on job search and placement support.

Which path are you on?	
I attended kickoff	Register at least for the 6 Career Essentials (CORE).
I missed kickoff	Register for the 6 Career Essentials (CORE) + 1 Career Edge (BOOST) .
I want the most value	Register for all 12 workshops - CORE plus BOOST.

Career Essentials (CORE)

Recommended first. If you attend kickoff, these six workshops get you to your 7-session completion goal.

- Unlocking a Growth Mindset • **Wk 4**
- Creating Balance • **Wk 6**

WHAT YOU'LL LEARN

The 12 workshops

CORE

Career Essentials

Recommended first

BOOST

Career Edge

Extra practice that gives you an edge

Starting strong: Week 1 Career Edge (BOOST) sessions count toward completion and are a great way to build momentum, especially if you missed kickoff.

WEEK 1 · JUN 22-26

Confidence & Accountability

Building Your Confidence

Build Your Confidence, Unlock Your Potential

BOOST

Career Edge

Confidence shapes how we show up in school, work, and life. In this interactive workshop, you'll explore what confidence really means, practice strategies to strengthen it, and learn how to overcome common pitfalls that hold you back. Walk away with practical tools to step outside your comfort zone, advocate for yourself, and face challenges with resilience.

CAREER EDGE BOOST

Gives you an edge by helping you speak up, advocate for yourself, and recover from setbacks.

Owning Your Role

Own Your Role, Strengthen Your Team

BOOST

Career Edge

Accountability is one of the most sought-after skills in any workplace. In this engaging workshop, you'll explore how strong communication and collaboration build trust and drive results. Through interactive activities, you'll practice strategies to take ownership of your work, contribute to shared goals, and support your team's success.

CAREER EDGE BOOST

Boosts your chances of being the dependable teammate managers count on.

WEEK 2 · JUN 29-JUL 3

Goal Setting & Managing Up

Setting Success Goals

Set Goals That Drive Your Success

CORE

Career Essentials

Achieving your dreams starts with setting clear, actionable goals. In this hands-on workshop, you'll learn how to use the SMART goal framework to create realistic, meaningful goals and develop strategies to stay motivated. You'll leave with a personalized plan to overcome obstacles and move confidently toward your next milestone.

WHY IT MATTERS

A clear plan keeps you moving toward your next milestone.

Building Strong Work Relationships

Build Strong Relationships With Your Manager

BOOST

Career Edge

Your relationship with your manager can shape your career success. In this workshop, you'll learn how to "manage up" by understanding expectations, communicating effectively, and supporting your manager's goals. Through real-world scenarios, you'll practice strategies to build trust, navigate challenges, and create a positive, productive working relationship.

CAREER EDGE BOOST

Gives you an edge in internships, jobs, and team projects.

Build skills employers notice

WEEK 3 · JUL 6-10

Culture & Belonging and AI in the Workplace

Fostering Inclusion

Foster Inclusion and Belonging

BOOST

Career Edge

Creating inclusive spaces begins with understanding and action. In this workshop, you'll explore real-world examples of bias, privilege, and discrimination while learning strategies to promote equity and belonging. Through discussion and group activities, you'll gain tools to advocate for inclusive practices in your school, workplace, and community.

CAREER EDGE BOOST

Boosts your ability to contribute to healthier teams and workplaces.

AI in the Workplace

Understanding AI's Place in the Workplace

CORE

Career Essentials

The use of AI in the workplace is changing the way we do work efficiently. This lesson develops foundational knowledge and skills in artificial intelligence, generative AI, prompt engineering and output validation, and ethical uses of AI relevant to a variety of business and technology workplace environments.

WHY IT MATTERS

AI fluency is quickly becoming part of career readiness.

WEEK 4 · JUL 13-17

Growth Mindset & Professional Development

Unlocking a Growth Mindset

Unlock Your Potential With a Growth Mindset

BOOST

Career Edge

How you think about challenges shapes your success. In this workshop, you'll explore the difference between a fixed and growth mindset, practice shifting negative self-talk, and learn strategies to embrace challenges as opportunities. Walk away with tools to build resilience and keep growing personally and professionally.

CAREER EDGE BOOST

Gives you an edge when setbacks, feedback, or new challenges show up.

Professional Development

Plan Your Career With Confidence

CORE

Career Essentials

Understanding the job market is key to making informed career decisions. In this workshop, you'll learn how to research industry trends, analyze opportunities, and conduct a personal SWOT analysis to identify your strengths, gaps, and next steps. Leave with a clear plan to build the skills and experiences you need to reach your career goals.

WHY IT MATTERS

Direction makes every other career step count.

Finish strong

WEEK 5 · JUL 20-24

Resume & LinkedIn

Crafting a Strong Resume

CORE

Craft a Resume That Stands Out Career Essentials

Your resume is your first impression with employers—make it count! In this workshop, you'll learn how to create a strong, professional resume that highlights your skills and accomplishments. Through guided practice, you'll write powerful statements that capture your value and leave ready to showcase your experience with confidence.

WHY IT MATTERS

Your resume is your first impression with employers.

Building a Professional LinkedIn

CORE

Career Essentials

Build a Professional Online Presence

Your online presence can open doors—or close them. In this workshop, you'll explore how to manage your digital footprint and create a strong professional brand. You'll also learn how to build a standout LinkedIn profile and use the platform to grow your network, connect with opportunities, and take the next step in your career journey.

WHY IT MATTERS

Recruiters and professional contacts often look you up before they reach out.

WEEK 6 · JUL 27-31

Interviewing & Work-Life Balance

Creating Balance

BOOST

Create Balance, Reduce Stress Career Edge

Taking care of yourself is essential to thriving at work and in life. In this workshop, you'll explore practical self-care strategies and learn how to manage common stressors that can throw you off balance. Walk away with tools to set boundaries, prioritize what matters, and build habits that support your overall well-being.

CAREER EDGE BOOST

Boosts your chances of staying consistent even when life gets busy.

Interview Workshop

CORE

Get Ready for a Strong Interview Career Essentials

Strong interviews require preparation. This lesson develops foundational knowledge and skills in interviewing, including preparing effectively to showcase your strengths, practicing responses to common interview questions, and leveraging the STAR Method to confidently answer behavioral interview questions with structured and impactful responses.

WHY IT MATTERS

Preparation helps you turn your experience into a strong interview story.
