

Choose your workshops

Aim to attend all 12 workshops. If you can't make them all, prioritize the **Career Essentials (CORE)** over **Career Edge (BOOST)** — and at minimum, attend **every Essential**. Those are what you need to complete Career Connect.

Registration is open — register in the student portal →

Your goal

Attend **7+ live sessions** to complete — kickoff counts as session 1.

Your commitment

Plan for **1-2 hours each week** for 6 weeks.

Your reward

Get **8 more weeks** of 1:1 coaching, resume reviews, and interview prep.

Career Essentials (CORE) **REQUIRED**

Attend all six to complete. With kickoff, that's your 7 live sessions.

- ✓ Setting Success Goals • **Wk 2**
- ✓ AI in the Workplace • **Wk 3**
- ✓ Professional Development • **Wk 4**
- ✓ Crafting a Strong Resume • **Wk 5**
- ✓ Building a Professional LinkedIn • **Wk 5**
- ✓ Interview Workshop • **Wk 6**

Career Edge (BOOST) **BONUS**

Attend these too if you can — great extra practice. Missed kickoff? One BOOST gets you back to 7.

- ✓ Building Your Confidence • **Wk 1**
- ✓ Owning Your Role • **Wk 1**
- ✓ Managing Your Manager • **Wk 2**
- ✓ Fostering Inclusion • **Wk 3**
- ✓ Unlocking a Growth Mindset • **Wk 4**
- ✓ Creating Balance • **Wk 6**

WHAT YOU'LL LEARN

The 12 workshops

CORE

Career Essentials

Recommended first

BOOST

Career Edge

Extra practice that gives you an edge

Starting strong: Week 1 Career Edge (BOOST) sessions count too. They can help you build momentum, especially if you missed kickoff.

WEEK 1 · JUN 22-26

Confidence & Accountability

Building Your Confidence

Build Your Confidence, Unlock Your Potential

BOOST

Career Edge

Build confidence, step outside your comfort zone, and recover from setbacks.

USE THIS TO

Advocate for yourself with more confidence.

Owning Your Role

Own Your Role, Strengthen Your Team

BOOST

Career Edge

Practice ownership, communication, and collaboration so your team can count on you.

USE THIS TO

Build trust as a dependable teammate.

WEEK 2 · JUN 29-JUL 3

Goal Setting & Managing Up

Setting Success Goals

Set Goals That Drive Your Success

CORE

Career Essentials

Use SMART goals to set clear targets, stay motivated, and plan around obstacles.

USE THIS TO

Turn a big goal into next steps.

Managing Your Manager

Build Strong Relationships With Your Manager

BOOST

Career Edge

Manage up: clarify expectations, communicate well, and support your manager's goals.

USE THIS TO

Build stronger manager relationships.

WHAT YOU'LL LEARN

Build skills employers notice

WEEK 3 • JUL 6-10

Belonging & AI at work

Fostering Inclusion
Foster Inclusion and Belonging

BOOST
Career Edge

Spot bias and practice concrete ways to support equity and belonging.

USE THIS TO
Help build healthier teams.

AI in the Workplace
Understanding AI's Place in the Workplace

CORE
Career Essentials

Learn AI basics, prompt writing, output checks, and ethical use at work.

USE THIS TO
Use AI more carefully at work.

WEEK 4 • JUL 13-17

Growth Mindset & Professional Development

Unlocking a Growth Mindset
Unlock Your Potential With a Growth Mindset

BOOST
Career Edge

Shift negative self-talk, handle feedback, and turn challenges into growth.

USE THIS TO
Keep going when work gets hard.

Professional Development
Plan Your Career With Confidence

CORE
Career Essentials

Research career options, map your strengths and gaps, and choose your next steps.

USE THIS TO
Know what to build next.

WHAT YOU'LL LEARN

Finish strong

WEEK 5 • JUL 20-24

Resume & LinkedIn

Crafting a Strong Resume

Craft a Resume That Stands Out

CORE

Career Essentials

Write stronger resume statements that show your skills and accomplishments.

USE THIS TO

Show employers what you bring.

Building a Professional LinkedIn

Build a Professional Online Presence

CORE

Career Essentials

Shape your digital footprint and build a LinkedIn profile that opens doors.

USE THIS TO

Make your professional brand clear.

WEEK 6 • JUL 27-31

Interviewing & Work-Life Balance

Creating Balance

Create Balance, Reduce Stress

BOOST

Career Edge

Set boundaries, manage stressors, and build habits that protect your well-being.

USE THIS TO

Stay consistent when life gets busy.

Interview Workshop

Get Ready for a Strong Interview

CORE

Career Essentials

Prepare strong answers, practice common questions, and use the STAR Method.

USE THIS TO

Turn your experience into a clear story.
